A vibrant red poppy flower is the central focus, positioned on the left side of the frame. It has a single, long, green stem that curves downwards. The flower is in full bloom, with its petals showing a rich red color. The background is a vast field of tall, dry, golden-brown grass that stretches towards the horizon. The grass is slightly out of focus, creating a sense of depth. A semi-transparent white rectangular box with a decorative, scalloped border is placed over the middle of the image, containing the title text.

A black and white artistic illustration of a woman from behind, sitting on a swing. She is wearing a strapless dress with a corset-style bodice and a full skirt. Her hair is styled in an updo. She is holding a large bouquet of flowers. The background is a textured, light gray. A white rectangular box with a dashed border is overlaid on the image, containing the text 'GARDEN SWINGS'.
